Sponsor Support 2017

Huntley Youth Football was founded in 1996 to teach the youth of Huntley how to play the game of football. For the past 20 years we have done that and so much more. We teach our youth the importance of team work, helping others, and developing pride for our community.

As a non for profit organization we need support from our community to make our program flourish. In true Mustang fashion we want to make this a two way street. The goal for us is to ensure that we are giving back to the areas of the community that give us the most support. HYF has developed different sponsor packages to select from, we want to make sure that there are options for all businesses. Whatever you can do will be greatly appreciated. Also feel free to contact me if you have some other ideas on how you would like to support the 2017 Mustangs.

Please contact Dawn Freitag - Corporate Fundraising Director with any questions.

Dawn Freitag
