FACILITY ELECTRICAL PROTECTION

ERITECH®

ERICO is pleased to advise that all ERITECH branded

Lightning Conductors, Air Terminals and Fittings

bearing the UL Mark are manufactured in accordance with the requirements of the Underwriters Laboratories Standard UL96,
and their manufacture is the subject of regular UL verification audits.

This includes items from the ERITECH SYSTEM 2000 product range, and from the ERITECH SYSTEM 3000 range, such as the DYNASPHERE Air Terminal.

The public record of this is contained on the Underwriters Laboratories website:
