Reviewed Snackstand for 2209 Spring Season. Overall, things went very well. It would be ideal to increase the number of volunteers helping out with it next year to decrease the workload for those that are willing to help. Coke & Herrs did a good job of keeping us stocked. A big thanks to Dina Asmann for doing a great job!!!

Heather Hetherington also gets a big thanks for doing a fantastic job with the newsletter this year!!!

We briefly discussed returning equipment from the Spring season. It would be idea to do a better job inventorying/tagging all equipment so we know what we get back and who is delinquent in not returning stuff. It would be nice to collect keys so we don't have to have them made at the beginning of every season.

We have slated a field cleanup for Saturday, July 25<sup>th</sup> at 9:00. We will need to meet at Hickory park to take down the outfield fence, put all equipment in the Annex, and remove sponsor signs from the fences.

Steve Meyer is going to champion Fall Baseball. He will review the registration system to make sure it is set up most effectively.

In regards to tournament team selection, we were successful in getting our coaches to vote for players that they believed should be on the tournament team. It looks as if we will have one team from each age group to represent GEYA. We had some discussion about having 2 teams at the 9 year old age group as this would provide valuable tournament experience for more players....and also provide more parent volunteers to help run Hickory Park. At this time, we will probably have one team for the 9 year olds.
