Fall Ball Report (given by Mike Maher)

Everything is running smoothly. Recommendation for 2010 would be to have consistent rules across the 9/10 age bracket.

2010 Schedule

Lee Cummings provided the initial schedule for 2010. There was some discussion as to pushing back opening day but no official date was set.

Capital Expenditures

1. Lee Cummings is investigating a groomer for Hickory Park. He will continue to report what he finds with goal of purchasing a new groomer in Spring 2010
2. Tom Graybill will gather data on adding a batting cage to Springton Manor
3. Larry Hall will talk with Wes Hollis about drainage ideas/cost for Hickory Park
4. Field Maintenance at Hickory Park/aerating and seeding November 15 when MCE done
5. Equipment

Sponsorships

Steve Meyer is going to champion the beef & beer. Target date is January 15

Larry Hall, Brian Andresen & Tom Graybill will gather data for Golf Outing/Fundraiser for May 2010

Evaluations

Brian Andresen has been in contact w/ All Star Baseball Academy. He is proposing a package deal of 4 days of coaches clinics, indoor practices for teams in beginning of season, and evaluations. The cost would be \$12,000 approximately with ½ paid by GEYA and the other ½ coming from increased registration fees of ~\$20.
