There was discussion as to why the older bracket was not included in the e-mail that was sent out through our YouthLeaguesUSA system. We discussed the possibility of waiving the late fee for these registrants as they weren't notified of signups.

Tryouts will be held Saturday, February 28, 2009 at All Star Baseball Academy. Coaches should look to arrive at 7:30 to get set up. Players will start to arrive from 8:00 to 12:00. A waiver for All Star Baseball Academy will need to be signed by each player trying out prior to entering facility. The kids will rotate between 4 stations:

- 1)fielding
- 2) throwing
- 3)batting
- 4) running

Gene Jarema will do an equipment inventory on Saturday, February 21. Thanks Gene and those who volunteered their Saturday to make sure the equipment is in order for the start of the season.

Larry Hall reviewed opening day festivities for Saturday, April 4th . As in the past, we will have the Big League through Minors division in the first session. The Rookies and T-Ballers will be in the second session. At this time, we are slated to have 2 former major leaguers as speakers. A firetruck & some new cars will be on display. We are still looking for someone that can coordinate a fly over of a fighter jet. Please contact Larry Hall at [bballevents@geyasports.org](mailto:bballevents@geyasports.org) if you know of anyone that can set this up.

We are still looking to finalize details on the Coaches Clinic. The tentative dates are either March 14<sup>th</sup> or March 21<sup>st</sup>. We discussed holding the clinic at one of the local township buildings.
