

DJFL Sponsor Program Information

Thank you for your interest in becoming a Darien Junior Football League sponsor. Darien Junior Football League is offering limited advertising space on its web site, www.DJFL.org for its Sponsors. There are two choices of DJFL Sponsorship:

- **Flag Team Sponsor at \$500 per team.** Team Sponsors have their company name imprinted on the team jerseys. This unique opportunity will allow you to customize your advertising and get information on your business seen by the Darien families we serve as well as the other 7 towns who visit the website during the course of the football season (primarily August through November). In addition, your company will have a listing in the Darien HS Varsity Football Program.
- **Website/Program Sponsor at \$250,** Website Sponsors have a banner ad on our website. The banner can link to your website or to your advertisement. In addition, your company will have a listing in the Darien HS Varsity Football Program.

The Darien Junior Football League is a 503-c nonprofit offering Tackle Football and Flag Football programs to residents of Darien. As part of the Fairfield County Football League, Darien's 500 plus families are involved with a total participation upwards of 2,500 young athletes from eight towns in Fairfield County, Connecticut.
