2012 /13 DHYS Capital Campaign

Druid Hills Youth Sports launched the DHYS Capital Campaign in 2010 to raise funds for improvements and upgrades to the various park facilities at Medlock Park (such as new sod for the fields, a larger picnic pavilion, updated bullpens, new batting cages, etc.). We will continue this Capital Campaign in order to make additional repairs and upgrades to the facilities at Medlock Park. In order to achieve our goals, we are focused on significantly increasing fundraising through sponsorships. DHYS estimates that Medlock Park has over 150,000 visitors each year. Sponsorships provide a great opportunity for recognition of your business by DHYS area families and friends, not to mention the great exposure to the many Medlock area residents that frequent the park!

Sponsor a Team

Over the past few years, we have greatly increased participation in team sponsorships. We strongly encourage each team manager to appoint a team parent to obtain a team sponsor (the \$350 General/Team Sponsorship is described to the right). This is a great opportunity for parents who want to volunteer to help the DHYS program in some way other than coaching...many team parents have a business (or know someone who has a business) they would like to promote through a sponsorship or just want to help financially.

Local Business Sponsorships

There are literally thousands of local businesses within a few mile radius of Medlock Park. Likewise, our DHYS families are spread out amongst the communities in and around Medlock Park (including Decatur, Oak Grove, Druid Hills, Emory, Morningside, Virginia-Highlands and other areas in which local businesses operate). Sponsoring DHYS baseball gives your business incredible exposure to area families, and provides you with a tax deductible way to support local youth baseball.

All sponsors will have the ability to set up a promotions table at our Opening Day Ceremonies in the Spring. Corporate sponsorships are also available. Contact the DHYS External Booster at external.booster@dhys.org, or 404-321-0360, for more information.
