

## **Edge Ice Arena Regular Season – Phase 4 updated guidelines**

**09/22/2020**

In Accordance with the Phase 4 Illinois Department of Commerce and Economic Opportunity and the Illinois Department of Public Health. The policies and procedures listed below will serve as the framework for Phase 4 at the Edge Ice Arena and will govern all activities at the Edge Ice Arena.

- The drop off lane will be barricaded and closed. Participants and parents will walk from the parking lots to the main entrance.
- Parking for West rink participants is located at the lot beside (to the West) the Edge and parking for East rink participants will take place across the street (to the South) of the main entrance. Parking for John Street will be in the main lot.
- **As of August 30th:** ONE family member per skater will be permitted to enter the building. They must observe from designated areas in the bleachers only and exit immediately after the ice session is over.
- Skaters must arrive fully dressed. This includes wearing helmets, gloves, and skates with guards. Each skater is permitted to bring only two sticks and a water bottle. No hockey bags.
- Signage will be used to guide the flow of traffic for entering and exiting the facility.
- Markings will be displayed in six foot increments to allow for safe social distancing. Social distancing shall be the rule when on and off the ice.
- **As of Sept 22:**
  - CDC recommended face coverings are required for all off-ice spectators over the age of 2, at all times.
  - All players are required to wear a CDC recommended face covering at all times, except while on the ice.
  - All coaches are required to wear a CDC recommended face covering at all times, including while on the ice.
- Participants will not be admitted entrance to the building any earlier than 5 minutes ahead of their scheduled ice time and are required to leave the building immediately after exiting the ice.
- Individuals will be asked to leave the building if they: attempt to enter with anything more than two hockey sticks and one water bottle, exhibit symptoms of COVID-19, do not practice social distancing, remove their face coverings or loiter in the building in non-designated areas.
- The ice surface will be limited to a gathering of no more than fifty participants including instructors.
- Games, scrimmages and any sort of competition that could result in contact between players is not permitted by the Illinois Department of Public Health as Ice Hockey is classified as a high risk level one sport.
- Coaches/organizations are responsible for the safekeeping of their athlete(s) and others and will support the DCEO/IDPH guidelines for Phase 4 as well as all policies and procedures as designated by the Village of Bensenville. This includes the removal of athletes displaying symptoms of COVID-19, maintaining attendance logs, enforcing social distancing and facemasks. Failure to do so can result in expulsion from the facility.
