Colin Mathers, Chairman
Shannon Gaels GAA

Dear Colin

As you know we had a board meeting this afternoon in the Navillus Corporate office to discuss the possibility off Navillus making a contribution to Shannon Gaels GAA. Following a lengthy discussion and deliberation the Board has come to a decision.

It gives us great pleasure to make a minimum commitment of \$100,000.00 to this great cause. Please accept a partial payment here with in for \$33,000.00.

It is really important to me that you know that this donation is not only on behalf of Navillus it is on behalf off all those that have established Navillus and its sister companies over this last 25 years.

Enjoy your night and we all wish you all the success in the Future

Sincerely,

Donal O'Sullivan
