Westfield Jr. Bombers 5 Amherst 0

The return of Cam Porter sparked the Squirt B team in which they played their best game of the season. The only goal scored in the first period was by Brian Daly assisted by Branden Waitt. The second period was all Westfield. Ciro Calvanese started the scoring with the assist coming from Branden Waitt. Less than two minutes later Peter Chrisanthopoulos found the back of the net with the assist from Reid Hannan. The next goal came one minute ten seconds later with Branden Waitt scoring on an assist from Brian Daly. The final goal was an unassisted "garage shot" goal by Reid Hannan making the score 5-0. He practices that shot all the time in his garage. It is a slap shot from the right side of the net.

In the second period Amherst didn't have a single shot on net. The defense was led by Cam Porter, Alex Fisher, Reid Hannan, Thea Glenzel, Aidan Fitzgerald and Connor Fitzgerald. Pat Martell and Nick Ensign as always played an awesome game. CJ Czarnecki made three saves in the first period and three in the third to record his first shutout of the season.

Westfield Jr. Bombers 7 Amherst 0

The Westfield Jr. Bombers Mite 3 squad took to the ice on Saturday morning ready to challenge the Amherst Mite 3's who bested them in a close contest the week before. From the start of the game Westfield took charge with a balanced offensive attack, smart defensive play and outstanding goal tending to earn a 7-0 shutout. When Amherst was able to get by Westfield's tenacious defense led by Hunter Stockseth, Drew Edinger was stellar between the pipes as he continually turned away strong scoring bids from Amherst. The Jr. Bombers continued to display their balanced scoring attack as six different players tallied goals including Brody Fitzgerald, Brandon Kowal, Ryan Major, Brendon Morse and Casey Scanlon. Cole Chapman displayed spectacular stick handling on a one man rush and score that was unfortunately waved-off by premature whistle blow. Harrison Klein and Cody Collins also displayed some impressive skating puck handling that continually kept the Amherst squad off balance.

Amherst 2 Westfield Jr. Bombers 1

The Westfield Squirt 1's dropped a tough 2-1 decision to visiting Amherst at Amelia Park on Sunday morning. Amherst came out strong in the first period and controlled the neutral zone as Westfield struggled to get their offense going and get a decent look at the net. Westfield defense didn't give up though, and the game was still tied 0-0 with 2 minutes to go in the first. Unfortunately, Amherst finally had one slip in for a goal and after winning the ensuing face-off were able to get a bouncing puck on net that rebounded off a pad and was tapped in for a 2-0 lead at the end of one.

Westfield didn't let the deficit get them down and came out ready to cut the lead in the second. Continually out-hustling Amherst to the puck, they started to get their opportunities. Midway through the period Jason Rokosz made a good run at the Amherst goalie but was turned away as the puck was covered. But shortly thereafter Westfield's persistence paid off as Ryan Moorhouse found the back of the net off the sharp passing of Matt Bacon and Danny Buckelew to make it 2-1 which is where it remained for the rest of the period.

The third period saw Westfield continue to dictate pace, but the stubborn Amherst team seemed to have an answer for each Westfield bid. Cam Schnopp was solid in goal for Westfield as he and the Amherst net minder traded saves to keep the game close. The excitement level rose with 1:33 remaining as Amherst picked up a hooking penalty trying to slow a Westfield rush, giving Westfield a man advantage for the nearly the remainder of the game. With 60 seconds left, Schnopp was pulled from goal as Westfield added an attacker to try and even the score, but the alert neutral zone play of Amherst managed to kill off the last minute to secure the victory.

Westfield Jr. Bombers 5 Amherst 2

The Westfield Squirt 1's came out hungry and motivated in Amherst Sunday morning as they faced the team that had beaten them by a nose the day before. This was to be Westfield's day though, as the Jr. Bombers came roaring out of the gate and barely slowed through 3 periods of play earning a 5-2 victory in Greater Springfield League action.

Even though Westfield dominated play throughout the game, Amherst was first to get on the board. Early in the 1st period, an Amherst winger ripped a wrist shot on Cam "The Turtle" Schnopp with a gang of both Westfield and Amherst players in front of the net. With the initial shot stopped, the ensuing crush of players scrummed into a pile, toppling the goalie and knocking the goal off its moorings. After the bodies were cleared it was Amherst 1, Westfield 0. Westfield kept up their attack and when defenseman Ryan Roskey saw an opening he blew past the Amherst defense and beat the goalie 5-hole to tie the game at 7:44 of the first. A little over 2 minutes later, Roskey pulled a near déjà vu as he gained the blue line and ripped a shot

from 35 feet that found the top left corner of the net to give Westfield the lead after the first period.

Period Two started fast and furious again and at 3:30 Ryan Moorhouse streaked in from the left wing with an Amherst defender tight to his hip, but managed to take the puck roof to beat the goalie before crashing into the boards making the score 3-1 Westfield. The remainder of the period saw more back and forth with each team getting several good looks at the goal, but with time winding down Westfield put itself in trouble as they were whistled for concurrent hooking and tripping penalties.

Westfield was forced to start the 3rd period with Amherst having a 5-3 player advantage from the previous period's penalties. The pressure was on, but the Westfield defense was up to the task as they formed an effective defensive triangle and were able to ice the puck several times. Continued uncharacteristic penalties kept Westfield players in the box for much of the 3rd and it finally came back to haunt them with 4:58 left in the game as Amherst finally got a shot past Schnopp to make it a one goal game. Just over a minute later though, Ryan Roskey stick-handled his way through several Amherst players in the neutral zone to make another rush at the net. His wrist shot from the left found the goalie's blocker, but when it landed back on the ice, Colin Scanlon was there to backhand the rebound into the net for the insurance goal. As time wound down, Amherst's goalie came well out of the crease to clear a puck but underestimated the speed of Ryan Moorhouse who beat him to the puck and slid a shot into the empty net at a nearly impossible angle to give Westfield a 5-2 victory.
