DENNIS YOUTH BASEBALL

by placing an ad in our

2013 YEARBOOK

Dennis Youth Baseball is an all-volunteer program for the Boys and Girls of Dennis, ages 5 - 12 (200 children in 2012). The registration fee covers only 1/3 of the actual costs for running the program. The rest of the money comes from Team Sponsors and essential fund-raising activities such as the snack bar and raffle.

The Dennis Youth Baseball Yearbook is a distinctive publication that lists all the children's names and game schedules and lots of other important information which is referred to throughout the season and beyond.

The ad cost is inexpensive, but most importantly, your contribution benefits the children of Dennis. Just sketch out the copy or enclose a business card or yellow pages ad or e-mail camera-ready copy to dennisyouthbaseball@comcast.net. All advertisers will be given a copy of the yearbook soon after the season begins.

Deadline to place an ad is April 15th · Simply mail ad copy and payment to:
