

# 2017 PAGLA Directives

## Regions: Central West, South, and Tri-County

### General Directives

- 1) Clubs must register and pay dues to PAGLA on the PAGLA website before the fall annual PAGLA meeting. (This does not mean register teams; it just means to register their club)
- 2) PAGLA games must take precedence over other games and tournaments including summer club team schedules.
- 3) PAGLA teams may not schedule with NON-PAGLA teams during the spring season.
- 4) The PAGLA League follows US Lacrosse youth rules unless otherwise noted. All Clubs must send their coaches the updated directives at the start of each spring season.
- 5) Players must play for the lacrosse club in their township/school district. If there isn't an established PAGLA program in that township/school district, they may play for a neighboring club. Club directors must notify the PAGLA President if a request has been made to have a player register for another lacrosse club other than their township/school district club. A decision about any girl wishing to play for a different club will be on a case by case basis.
- 6) The PAGLA League recognizes third/fourth, fifth/sixth, and seventh/eighth grade teams. There are no formal teams for kindergarten to second grade in PAGLA but we encourage you to scrimmage other programs with similar grades.
- 7) Players must be in the grade of the team they are playing for:
  - a) Third and Fourth graders play on the 3/4 teams. Second graders are not permitted to play up on the 3/4 teams. 3/4 teams are not leveled.
  - b) Fifth and Sixth graders play on the 5/6 teams. Fourth graders may not play up on the 5/6 grade teams. Fifth graders may not play down to the 3/4 level. 5/6 levels are A, B and C.
  - c) Seventh and Eighth graders play on the 7/8 teams. Sixth graders may not play up to 7/8 and 7th graders cannot play down to the 5/6 level. If a club is not able to field enough players for a 7/8 B team, 6th graders are permitted to be placed on the 7/8 B roster. However, the 7/8 B team must not contain a large number of 6th graders. NO 6th graders on a 7/8A.

- 8) You cannot MOVE levels (A-B, B-A) up or down once the season has started.
- 9) If you have multiple "A" level teams at the 5/6 or 7/8 level, they need to be split equally by skill level and grade. Additionally, clubs having multiple "B" level teams must be split equally according to skill level and grade as well. Therefore, there should not be any teams that are strictly all 5<sup>th</sup> grade, all 6<sup>th</sup> grade, etc.
- 10) All 3/4 grade teams must be divide equally by grade and level. (No levels)
- 11) If the colors are the same for both teams, the home team must either reverse their jerseys when possible or wear scrimmage vests for the entire game.
- 12) US Lacrosse Mandate: Officials are not to start a game unless there is a NOCSAE certified ball. If a ball comes into play and officials see that it doesn't have the NOCSAE certified stamp on the ball then they are to toss it out of play and wait until we get a new one. Please keep in mind that this rule is mandated by US Lacrosse and we are to follow all of their rules. US Lacrosse actually told the officials that is there are no certified balls at the field then the game cannot take place, so please have the certified balls at the fields.
- 13) If a coach or parent receives a yellow card for **behavior**- the club is fined **\$100**. If a coach or parent receives a red card for behavior- the club is fined \$100 and the coach/parent is not allowed at the venue or on the field for the next game. If a coach receives two red cards in one season they are not allowed to coach in PAGLA. All yellow/red cards must be reported to the club director and referee assignor.

## Referees

- 1) The Referee Director coordinates scheduling for all referees, for all games, scrimmages and regular season.
- 2) The schedule will be confirmed prior to the start of the season.
- 3) Arbiter will be utilized to schedule the officials. PAGLA will collect an Arbiter fee from each club.
- 4) Club Directors are expected to check Arbiter prior to each game and inform their coaches of the officials assigned.
- 5) Club Directors are not permitted to schedule referees on their own.
- 6) In the case of cancelling a game due to weather, the Club Director must check arbiter before cancelling a game so they can write down the contact information for those officials. Once the referee director is called and the game is cancelled in arbiter that information will not be available. It is the home club directors' responsibility to call the officials to cancel.
- 7) All PAGLA Adult and Junior Officials must have the correct training as stipulated by US LACROSSE.
- 8) Coaches, parents, directors...may NOT yell at refs. If you have a problem with a lacrosse official the coaches should tell their director and the director will call the referee director. Referees will be encouraged to give cards to spectators and coaches.
- 9) At halftime you may address any concerns with the referee politely.
- 10) Coaches are not permitted to contact the referee director; **only** the club director may do so.

## 2017 Officials Fees for Youth Lacrosse

- 1) There has been a 3 year freeze placed on official's fees starting spring 2016
- 2) EACH TEAM SPLITS THE OFFICIALS FEE FOR EACH GAME WITH THEIR OPPONENT. (You are responsible for HALF of the fee.)

## Game Scheduling

- 1) Each region will have a designated scheduler that will create the game schedule for the season.
- 2) Creating the game schedules is a very difficult and time-consuming process. There are many parameters that go into creating the entire schedule based on all of the various field availabilities, the number of games each season, referee assignments, and age groups.
- 3) PAGLA games **MUST** be the priority. Do not overschedule your teams with extra games. You may not schedule any games with a club that is in PA and is not a member of PAGLA.
- 4) The home directors/coaches **must** contact the opposing directors, coaches and referees the week prior to each game in order to confirm attendance, time, and place. Please check arbiter to find your referees and send the information to your coaches a week before the games.
- 5) **Arbiter-** checking and getting in touch with referees:
  - a) Check **your officials and email them a reminder** for your home games. Sometimes adult and junior officials need to be reminded of where the game/field is located:
    1. Please go to [www.arbitersports.com](http://www.arbitersports.com)
    2. Sign in with your club's log in
    3. Click on the number under the '**games**' column and this will bring you to a list of all of your games.
    4. If you look at the '**slots**' column you will see 0/2 if there are no refs who picked up the game, 1/2 if one ref...etc.
    5. Click on the 0/2, 1/2, 2/2...This will show you the names of the refs- you can click on their name to get in touch and see their info.
- 6) **Check your team's officials each week and write down/print the info- you will need this to call the officials assigned to your games in the event you have to cancel due to weather the morning of game.**

## Game Re-Scheduling

- 1) Weather is the ONLY reason a game can be rescheduled or cancelled. If the field condition is un-playable and not safe, a game can be re-scheduled.
- 2) If there is a light rain games can be played. The only reasons to cancel are thunder/lightening, standing water (puddles) on the field, or your township/school district closes the fields.
- 3) The home field team must make the decision to play or not play a game due to weather and field conditions **before 8:00am**.
- 4) Steps to cancel/reschedule your game:
  1. Get your officials information from arbiter. You may not just email or leave a message and assume they got the message.
  2. Home field director/club should call officials for the field and let them know the game(s) is cancelled. If the officials show up to the field because the home club did not cancel them, the home club will have to pay them.
  3. The director/coach needs to also contact the referee director to cancel the game(s) in Arbiter.
  4. The director/coach needs to contact the opposing team(s) to cancel.
  5. If coaches/directors decide to reschedule for different day/time they must work out the new date and time based on field and player availability.
  6. If the coach is making the decision on rescheduling they need to inform their Club Director and the Club Director will communicate to the Referee Director the new date and time for the game. Officials will be assigned to the new game date.
  7. Club Directors will also inform their schedulers so that the game can be rescheduled in League Athletics.
