

The Sun Prairie Lacrosse Club is a non-profit organization developed to support youth lacrosse in Sun Prairie and surrounding communities. Established in 2001 with a boy's varsity team, later adding a girl's varsity team and 3 co-ed youth teams in 2005. Today, the opportunity to play lacrosse in Sun Prairie is available to all boys and girls beginning in 3rd grade. The lacrosse program in Sun Prairie is highly respected in Wisconsin. In 2011, the high school teams were recognized as a "Student Initiated Club". Proud to represent their high school, the varsity boys went on to take 2nd in state.
