

Mason Comets Touchdown Club Minutes

August 8, 2011

The meeting was brought to order by President Anthony Nocerino at the high school. Minutes of the August 1st meeting were read and approved as written by John Fender and Rob Niehoff. Treasurer's report was presented and approved by Lisa Mullin and seconded Stephanie Hogsten.

We were given a brief presentation by a representative of www.Swink.TV on their video viewing product that can be made available for viewing after games are uploaded by the Mason Coaching staff. We will examine further if this is something we want to do as a fund raiser or if families who are interested should subscribe individually.

Coach Castner reported that he has had a great week of 2 a days – of his years coaching this past week rates as one of the best. Today was just an average practice and he is drilling into the players that championship teams bring it every day – that's why they're championship teams. He has challenged the players to step up and get better. We have a scrimmage tomorrow with four teams rotating between the multi-purpose field and Dwire field – the team will be ready. We are basically healthy as a team a few bumps and bruises but we'll be ready. We're lucky to have 2 Graduate Assistants with the program this year, one working with offense and one working with defense. The signs are up in the locker room and Debi Rye will be painting an M in the middle of the locker room to bring it all together. The food committee has been awesome with taking care of the boys with protein drinks, bars, etc. after 2 a day practices and we appreciate all they do. Countdown to Greatness – Meet the Team is Tuesday night and we're looking for a great crowd and a great night. The four captains have been selected by the players and will be announced at Meet the Team. Varsity/JV pictures will be this Saturday beginning at 8:00 am.

Old/New Business:

A second reading on the amendment to the Bylaws was given by Lana Fender. Chip Loftus made the motion to accept the changes as read and it was seconded by Lisa Mullen. The vote was unanimous and the Bylaws will be changed and posted to the website as soon as possible.

Replica jerseys are available please see Anthony Nocerino if you are interested in ordering one.

Next meeting will be Monday, August 15th at the high school. We will now hold weekly meetings hopefully moving to the Harvard Room as soon as it becomes available and visiting local restaurants as possible. Motion to adjourn was by Patti Kelley and seconded by Ken Hays.
