Coach Todd France thanked the Touchdown Club for all the time and effort than is given to the football program, it is very much appreciated. The numbers look good, the players look good and communication is good. We have commitment workouts still going on with 7 on 7 schedules for Lebanon and Princeton. The entire coaching staff is excited and ready to start the season!

Old/New Business:

Golf Outing – Carolyn Gillespie and Angie Besecker reported on the Outing. We have donations coming in that are unbelievable and we will have celebrity golfers and many more special events during the day. We need golfers and volunteers so please contact a golf committee member if you can help. The Board thanked all the committee members for their hard work and the excellent job they are doing in planning the event.

Spirit Wear – will be available for pick up during the Comet Card Blitz on July 6th.

Comet Card Blitz is July 6th in the Small Commons. The high school players are asked to sell 20 cards and we hope to have all players sell their number. The Blitz will be in the Small Commons from 7:30 am to 3:00 pm on the 6th.

Event Committee – Lanette Szymkowicz reported donations are going well as well as volunteer sign ups. We are on track with all the planning for the season. We are getting a great protein bar donation so we'll have bars to feed all teams at all levels.

Bethe Orlando gave the club an update on Nick Wehby's condition – which is unbelievable! He is doing above and beyond what anyone thought was possible. The doctors are amazed and he keeps getting better and stronger with every passing day. The Wehby Foundation has been established and has T Shirts and wrist bands for sale supporting Nick and Spinal Injuries. Please see Bethe or another member of the Foundation if you would like to purchase either.

The next meeting is August 5th in the Harvard Room at the High School. Motion was made to adjourn by Roger Mullen and seconded by Kenny Frank.
