

Mason Comets Touchdown Club Minutes

June 3, 2013

The meeting was brought to order by President Scott O'Leary in the Harvard Room at the High School. Minutes of the last meeting were read and approved by Jack Dowling and Mike Kelley. Treasurer's report was approved by Lisa Mullen and Carol Boreing.

Coach Greg Kendall reported the coaching staff is excited about the upcoming season and how the players are going to perform. Players will be evaluated all summer long on their commitment, passion and desire to advance and play the game. These characteristics will help decide who will be playing on Special Teams, giving more players the opportunity to earn a spot. Coaches feel using this evaluation will let kids with high character and passion have an opportunity to play and compete. Coach Kendall thanked parents for helping to get the players ready for the season and for all the work that is done through the Touchdown Club.

Old/New Business:

Golf Outing – Carolyn Gillespie and Angie Besecker reported on the progress of the Outing. A banner is being prepared to hang on the baseball fence on Tylersville Road advertising the outing. We have donations coming in that are unbelievable and show the hard work of the committee. We will have celebrity golfers and many more special events during the day. We need golfers so please advertise and try and get as many golfers as possible. The Touchdown Board thanked all the committee members for their hard work and the excellent job they are doing in planning the event.

Spirit Wear – the online store closes tonight and will reopen on July 6th. We're hoping to have this order all back and ready for pick up on July 6th during the Comet Card Blast. Team Mom's need to keep collecting the donations from the individual classes that will help to offset the TD Club costs for the outing.

Comet Card Blitz is July 6th in the Small Commons. We hope to have Dave Baker at the July 1st meeting to explain the cards and answer any questions. We will not be asking the Middle School to participate in the sale of the cards, but they are welcome to help if they would like. This decision is due to the Middle School management asking that any money made from fund raisers be 100% reinvested to the Middle School and since that is not totally possible we elected not to have them participate. This will not change our support of the Middle School players. The high school players are asked to sell 20 cards.

Event Committee – Lanette Szymkowicz reported donations are going well. We are on track with all the planning for the season.

Social – Lisa Mullen asked if we wanted her to reserve Kings Island Resort again next year for the Social. The cost is the same as this year. Motion was made by Stephanie Hogsten and seconded by Pattie Kelley to do this. Motion passed as made.

MABA – Jack Dowling reported that MABA is talking about having 3rd party business take over the inventory portion of concessions, however we need more information and more investigation before decisions can be made. This should not change the amount of money raised through concessions. MABA is looking for officers, if you are interested please let Jack know or email Lana Fender and she will pass on the message.

The next meeting is July 1st at Lucky Dog Café. Motion was made to adjourn by Roger Mullen and seconded by Judy Jensen.
