

Mason Comet Touchdown Club Minutes **October 6, 2014**

The meeting was brought to order by President Doug Besecker in the Harvard Room at the High School. Minutes of the last meeting were read and approved by Deb Stamper and Doug Bruser. Jamie Harness stated that our budget looks good and she will have a copy of the report at the next meeting that shows through the end of the month.

Old/New Business:

Coaches Report: Andy Hill, MMS 8th grade White Team Coach, reported that MMS teams are wrapping up their seasons with the last games occurring Monday and Wednesday. He thanked the TDC for all the help with food, equipment and awards for their end of the season banquet. Shirts for 8th grade players have been ordered and will be handed out at the banquet.

Danny Mullins, MHS assistant coach said that the team is meeting many of their goals. JV and Varsity won last week and are ready for Middletown this week. He stated the players are in a very good place right now. Monday's high priority study tables have been meeting with him in his classroom to work on academics. T-shirts for Brayden, the Little Miami player killed in a car wreck this season will be sold at the Atrium entrance this week for \$15. All proceeds will go to help his family. They are asking the Black Hole to wear them to the last home game. Coach Mullins reported that the next 3 JV games are at 1pm, including this week's game at Middletown.

Event Committee: Jackie Quigley reported that Frickers provided the team meal on Friday and there was plenty of food. This week is Rusty Bucket and the End of the Year Banquet date has not been set. Be looking for a SignUpGenius to go out when the date is set.

Homecoming: Becky Staples reported that she and her volunteers put bow and ribbons along Mason Mont. Rd on Sunday morning. Wednesday the flags go up along the back of the stadium. Bows/ribbons will be placed in stands after the pep rally Friday.

Doug Besecker discussed the Homecoming Parade which is Thurs. at 6:30. He has secured a flatbed truck and the helmet will be inflated on it. Players will walk and pass out cups/candy. Lineup is at 5:15 and the route is behind the high school to the atrium parking lot.

Karen Craig reported that homecoming t-shirt sales began at MMS/MHS on Monday. Larges have already sold out.

Senior Night: Carrie Sponseller has plans underway and a signup genius has gone out to help with food.

Concessions: Andrea Carskadden reported that we are ahead \$16,000 with concessions, most likely due to good weather, a more limited menu and new signage. She thanked all the volunteers who have helped so far. Volunteers are still needed for the last 2 home games. Signup on signupgenius.

Split the Pot: Karen Craig is in charge of sophomore volunteers this week. Signupgenius has gone out. If no one claims the winning ticket it will be posted online. If still not claimed money will roll into the next split the pot.

Winter Social: Melissa Kramer and Beverly Pearson volunteered to co-chair this event. They will begin gathering ideas to get ready for it.

Miscellaneous Items:

It was suggested that the helmet be replaced. It is over 10 years old and the crew had difficulty cleaning it. Doug Besecker is discussing with other sports groups sharing the cost of a generic Mason blow up that can be used at other sporting events, not just football.

The PA systems problems were brought up and a question about when it will be upgraded was asked. Doug Besecker stated the school system is aware of the issues, but they do not have a plan to upgrade it yet.

The next meeting is Oct. 13 at 7pm in the Harvard Room of the high school.

Motion to adjourn was made by Judy Jenkins and seconded by Patti Kelley.
