Pizza and drinks provided by the TDC will be handed out after the event. May 12 is the Parent Informational meeting to be held at the high school with breakout sessions for each grade level with their coaches. Play It Forward will also be collecting donations for Coaches Closet during this event beginning at 5:30 in the high school large commons. Coach Castner also discussed that May is Give Back Month and that high school players are working on community based projects.

Event Committee: Lanette Szymkowicz has already been planning with her committee for the summer and start of the season. She stated that we are on track with donations for this year. At the May 12 Informational Meeting committee chairs will be there to discuss all the events. Play It Forward will be collecting items at the May 12 meeting in the Large Commons. She has player volunteers lined up to help. Lanette reported that she has Jackie Quigley spearheading Green Madness and distribution of the pizza and water.

After Prom: Football teamed up with the cheerleaders to do a room. It was a success and everyone seemed to have fun at the blackjack tables.

Roche Croy has volunteered to help with this year's event. The committee has already had meetings with Shaker Run management and have secured Montgomery Inn BBQ for the meal. The event banner will be hung on the fences next to the baseball field and Mason Montgomery Road to help advertise the event. Jackie Quigley said that parents can order a helmet with your players name for \$25. These will be used to line the drive up to Shaker Run Golf Course the day of the event and then parents can have their helmet to put in their yard.
