

Mason Comets Touchdown Club Minutes

May 6, 2013

The meeting was brought to order by President Scott O'Leary in the Kiva at the High School. Minutes of the last meeting were read and approved by Stephanie Hogsten and Lanette Szymkowicz. A Treasurer's report was not given as Todd Peck was attending a Middle School concert. We had several new people attending the meeting so all attendees introduced themselves and gave their player's name.

Old/New Business:

Golf Outing – Carolyn Gillespie and Angie Besecker reported on the progress of the Outing. Volunteers are needed for several of the Chair positions; please contact a member of the committee if you are able to help in these areas. A sample of the PR sign was shown by the committee and members were asked to let them know if they have venues where the advertising for the outing would be welcome. The golf committee will be asking players in the different grades to contribute items that will help defray the costs of the outing. 7th thru 12th grade will donate bottled water, soft drinks, cash and gift cards. The Team Moms will head up asking for and collecting the donations. Donations are going well; please let the committee know if you have a company or store that would like to make a contribution. A huge thank you to Scott, Carolyn, Angie and Amy for working so hard on this event!

After Prom – Stephanie Hogsten reported that things went well for After Prom. A big thank you to those few people who helped volunteer this year and especially Mike and Patti Kelley who stayed up all night long – Mike was a great Santa! Angie Besecker mentioned that the cheerleaders might want to join with the TD Club next year and host the “casino” for After Prom. We are still in need of a chair person, if you are interested please let me board know.

Event Committee – Lanette Szymkowicz reported donations are going well. We are down a few but we're doing OK. The committee is working on getting things ready for the season. Tim Dawes is heading up the Hydration Crew this year, looks like we'll be in great shape in that area.

We will have an online store for the High School and Middle School where Spirit Wear may be ordered directly. We'll also have availability at the Parent Meeting on May 21st but hopefully most people will access the order forms from the online stores. Socks and ties will be available to be ordered at www.thelonggreenline.com. Stephanie Hogsten needs 12 of the white T-Shirts for a senior gift that is being made. Membership will provide the shirts at no cost. Judy Jensen will be taking over the overseeing of the Spirit Wear and we'll have more details in the near future.

The Parent Meeting will be on May 21st beginning at 5:30 pm. Coach Caster and his team of coaches will be represented and there will be individual team breakout sessions after the main presentation in the High School Theatre. All Team Moms and Chairpersons are asked to make a sign for their designated area and be in the Large Commons by 5:00 pm that night.

The next meeting is June 3rd in the Harvard Room. Motion was made to adjourn by Terri Borden and seconded by Tim Dawes.
