

Mason Comets Touchdown Club Minutes

May 7, 2012

The meeting was brought to order by President Ted Kenniston in the Harvard Room at the High school. Minutes of the April meeting were read and approved by Doug Besecker and Patti Kelley. Treasurer's report was presented and approved by Ken Hays and Anthony Pilone.

Coach Roche Croy addressed the group for Coach Castner. Sponsors have been found for the running back shoots so we no longer need to continue searching for someone to help make these. Monday, May 14th will be Green Madness from 3:00 – 5:00 pm. All players from 7th to 12th grade will work out together on the freshman practice field and the TD Club will serve Pizza to the entire group at 5:00 pm. We will be participating in the Run, Walk and Roll activity Saturday, May 12th at 8:15 for all players that can attend. May is "Give Back" month for the players and they will be helping in areas where they are needed the last two weeks of May. If you know someone who needs physical help in getting something done around their house, church, etc. please contact Coach Castner. Swink TV will be at the Parent Meeting and will be demonstrating and explaining the entire program. This is a great tool for all players and we'd love to have everyone sign up for the season.

Old/New Business:

After Prom – Stephanie Hogsten reported everything is ready for Prom. She is in need of volunteers for setting up our space on Friday at 4:00, volunteers during the night on Saturday night and clean up at 4:00 am on Sunday morning. Please contact her if you are able to work.

The food committee is still looking for a place to hold the Spaghetti Dinner. Scott O'Leary will check with the VFW and see what they have available and the cost involved. We have decided to charge the players \$40 for all sophomore thru senior players. With the economy and the reduction in donations by area restaurants we will need the extra money throughout the season. Motion was made by Lanette Szymkowicz and approved by Stephanie Hogsten and Judy Jensen for all 10th, 11th, and 12th grade players to pay \$40 for pre-game meals and snacks. Motion passed as approved.

Ken Hays reported the Golf Outing committee is doing well. Still need volunteers for the committee as well as the day of the outing on July 14th. We also need golfers and sponsors – please contact Ken if you have names.

We are in desperate need of a chairperson for Concessions. If you are interested or know anyone who is willing to partner with others to take on this responsibility please contact Ted Kenniston as soon as possible.

Spirit Wear will be available for ordering at the Parent Meeting on May 21st. Judy Jensen showed samples of the shorts, shirts and sweats that will be available for ordering as well as additional items that will be available to order online from Cincinnati Team Sports.

We have elected to go with the \$20 Comet Cards. We will have the Blitz on July 7th and hope to do well and make a lot of money for the season. We hope to have cards ready to give out prior to the Blitz for pre-sale. High Schools players are expected to sell 20 cards and Middle School players are to sell 10 cards.

The Ford Drive 4 Your School went well. There were approximately 85 drivers which we will split with the band for a profit of around \$850. They would like us to commit to doing this again next year – it is easy money, little effort on our part and a great way to build comradery with the band.

We will send out an email on the Kroger Card changes as soon as Lorrie receives the information. Please continue to use them – great money for our club.

The next meeting will be June 4th in the Harvard Room at 7:00 pm. Motion to adjourn was made by Patti Kelley and seconded by Terri Borden.
