

Mason Comets Touchdown Club Minutes

October 14, 2013

The meeting was brought to order by President Scott O'Leary in the Harvard Room at the High School. Minutes of the last meeting were read and approved by Jamie Harness and Ron Saresky. Treasurer's report was approved by Pattie Kelley and Deb Stamper.

Coach Gardner of the Middle School talked about the 25 - 3 record of the 4 MS teams. They are having a great season and enjoying learning and playing the game. There are some injuries but hoping everyone gets better soon. The Black Team games were a great inspiration this year and we hope to continue them next year. He reported that the 8th Grade T Shirts which were voted on last meeting are going to cost more than originally expected because of the number of players. Coach Affatato is asking for another \$100 so shirts and awards can be purchased. Motion was made by Lisa Mullen to raise the original motion to \$600 for expenses by the 8th grade and was seconded by Ron Saresky. Motion passed as presented.

Coach Paul Barry, Offensive Coordinator visited the TD meeting for the first time. Practice has gone great this week - positive and on track. Colerain will be a tough game, they are ranked 19th in the country. Last week's game was good because it gave younger players a chance to play on Friday night. Coach Barry thanked the TD Club for everything they do for the coaches and the boys. He said he has coached in a lot of different settings but nowhere has the program been supported like it is in Mason. Thank you to everyone for everything you do for Mason football.
