

Mason Comets Touchdown Club Minutes

November 7, 2011

The meeting was brought to order by President Anthony Nocerino at the Lucky Dog Cafe. Minutes of the November 1st meeting were read and approved by Scott O'Leary and Amy Mason. Treasurer's report was presented and approved by Stephanie Hogsten and Tim Dawes.

Coach Castner was given a standing ovation for a great year and bringing pride and excitement back into the Mason football program. He reported the boys are getting over the loss on Saturday night and the Senior Players have no regrets. No one ever quit, we played well and represented Mason with pride. We'll be back in this same arena so get use to use being competitive and being here each and every year. Banquet will be on November 17th the players need to wear their khaki pants, white long sleeve shirt and Mason tie w/dress shoes if possible. This Thursday is the School Awards Program and attendance is mandatory. January 4th the off season begins and we'll be ready to work hard and get going. Until then the players should take some time to spend with family, friends, work on academics and not worry about the weight room until we begin again in January, we know this will not be applicable to those playing winter sports. Coach will be busy with recruiting and he'll have stats, transcripts, DVD's on all the senior players for any colleges that make inquiries.

Old/New Business:

Banquet – gathering final numbers tonight – hope everyone understands that you must have paid in advance and have a ticket to eat at the banquet. Everything is ready and volunteers are set for November 17th. Lana will do the program for the banquet – receiving agenda from Coach Castner.

Nominations were open for next year's officers:

In addition to last week's nominations Lorrie Hays removed her name from Vice President and was nominated for Treasurer. Todd Peck was nominated for Treasurer. Doug Besecker was nominated for Vice President. Nominations were closed and the ballot is set. Voting will take place next week at the meeting which will be at the high school.

Concessions – Lorrie needs some volunteers to help load the soda coolers for the playoff game we are hosting on Saturday. Group will meet at 5:30 on Wednesday at the Atrium Concession Stand.

Motion was made to purchase GMC T Shirts for the freshman team and the JV team as Champs and Co-Champs. Discussion followed regarding the JV shirts, motion was voted on and failed.

Motion was made to purchase GMC Champion T Shirts for the freshman team only. Discussion followed with Scott O'Leary volunteering to get a side quote on both shirts and pennants and reporting the prices to Carol Boreing. Motion to purchase the shirts/pennants with a cap of \$500 was passed. It was suggested than we have the senior players hand out the shirts to the freshman players at the banquet.

Discussion on the purchase of a banner for the locker room was led by Anthony Nocerino. Scott O'Leary will also get a price on a banner and report back to us. We also need to see if the school will allow it to be hung or if they are planning on purchasing something themselves. No motion was made.

Our next meeting will be at the high school in the Harvard Room next Monday at 7:00 pm. Motion was made to adjourn by Ted Kenniston and Scott O'Leary.
