

Mason Comets Touchdown Club Minutes

October 10, 2011

The meeting was brought to order by President Anthony Nocerino at Campioni's Pizza. Minutes of the October 3rd meeting were read and approved by Ken Hays and Patti Kelley. Treasurer's report was presented and approved by Sarah Niehoff and Mike Kelley.

Coach Boreing thanked the TD Club for all their support this season. The Middle School coaches are grateful to have the extra football awards to present to their players, thanks to the TD Club for paying for these awards. The last games are this week; overall the entire Middle School program did well this season. The kids are great and there is talent but more importantly they had fun. Thanks to everyone for a great season.

Coach Castner handed out this week's schedule and Recovery Program report. It is important for the players to let their bodies recover from game nights and also practices and he is stressing the importance of following the recovery point system to the players. This week is a big game against Oak Hills – it's their homecoming and we're looking forward to ruining another homecoming night! We're going for 6 wins, we haven't had 6 wins since 2005, but we're keeping the players focused on "it's a great week to be 1 – 0 in the GMC." We'll be prepared, we're working hard. Injuries should be minimal for the game and we're looking forward to a hard fought battle.

Old/New Business:

Programs – 84 programs left for the last 2 home games. We made \$241 last game. Dave has the volunteers he needs.

Concessions – Ken and Lorrie are all set for this week, volunteers are good.

Food Committee – Team dinners are going great. The committee has been working on the banquet. They would like to go with a catering company for the banquet who will charge \$10 per person. In order to do this we would need to charge the parents/visitors extra to supplement what we need to cover the budget for the banquet and coaches gifts. Dave Sprague made a motion to charge parents/visitors \$20 per ticket, motion was seconded by Sarah Niehoff and passed.

Split the Pot – Mike and Patti Kelley are good the rest of the home games. Donna O'Leary has volunteers for each game and they hope to break the record again and earn lots of money.

Senior Night - Annette Beckstedt is working hard on Senior Night and has most of the items covered. She is working on getting the pictures on the scoreboard and other incidentals but is doing well.

Due to a mandatory MABA meeting for Anthony and Ted next meeting will be at James' Third Base at 7:00 pm on Tuesday, October 18th. Motion was made to adjourn by Dave Brandt and Mike Kelley.
