

Mason Comets Touchdown Club Minutes

September 6, 2011

The meeting was brought to order by President Anthony Nocerino in the Harvard Room at the High School. Minutes of the August 29th meeting were read and approved as written by DJ Necamp and Ken Hays. Treasurer's report was presented and approved by Donna Loftus and Dave Brandt.

Coach Lyon, 7th Grade Head Coach reported the Middle School games are going well. At this time all the teams are 1 – 1. The practice with the Varsity/JV teams held earlier today was one of the best practices we've ever had. After we broke to our individual practice sessions the intensity was high the boys were pumped and ready to go. A big thank you to the Varsity/JV players for giving the inspiration to the Middle School players and getting them excited about being football players.

Coach Nance reported the Varsity/JV players had a great time with the Middle School and Freshman players today. Parents should be proud of the way the players were with the younger boys, it was a great practice. We let Lancaster slip away from us but we're putting that behind us – we don't accept loosing but we have to get ready for Glen Este. Glen Este isn't a big team but they'll play hard and they'll play to win. We'll have to be on our game and practice hard this week. Football not only teaches the players how to play the game but how to be successful in life and we want them to take what they learn and build on it for the future.

Old/New Business:

Thanks to everyone who volunteered Friday night, there was a total of \$18,000 taken in for concessions. Lorrie and Ken did a great job! We are still in need of volunteers for Wednesday and Saturday games, Lana will send out an email this week asking for help.

We are still looking for someone to shadow and take over next year for Dave Brandt as Program Chairman. Terri Borden volunteered to take on this responsibility and will get with Dave to make this happen. Programs were delivered late Friday night but we still sold 133 programs and took in \$676.

Patti and Mike Kelley did a great job with Split-the-Pot and we took in a total of \$666. We still need volunteers and will probably try setting up a stationary table selling tickets at the next game.

Food Committee reported things are going good. Tickets for the Spaghetti Dinner are going out this week and will be collected the following week. Each family has 4 tickets to sell at \$10 each. The dinner is September 22nd, we realize there are games that night but that was the only night we had. Lanette needs volunteers to sell the Mason T Shirts that were donated to us at lunch next week. The shirts are \$5 each and are all profit so we stand to make \$2,500. We need 2 people each day to sell.

Julie Kenniston is good with volunteers and planning for homecoming.

Thursday night there will be a Swink.TV demo in the team room at 7:00 pm. This will be a tutorial meeting and should last about 30 minutes for anyone interested.

Don't forget our Facebook page now at Mason Comets Touchdown Club; Sam Slater has posted some great pictures.

The next meeting will be next Monday, September 12th at James' Third Base. Motion was made to adjourn by DJ Necamp and Patti Kelley.
