### Old/New Business:

**Coaches Report:** Coach Castner discussed 5am workouts and said there have been 80+ players in attendance each week. 4-7 coaches are at each workout. Perfect attendance is the goal, but if a player is sick it is understood. If your player is playing another sport, just let him know. If your player wants to play in college they need to let Coach Castner know. Coach Mullins continues to work with high priority players academically (D's/F's) and there are study tables/tutoring available for those players. PB&J sandwiches began today and were a huge hit. Each player gets 2. Coach Castner thanked Jackie and the volunteers who make that possible. Many MAC school coaches have been to workouts. If your player wants to play in college he needs to communicate that with coach. Players also need to follow up with any coaches that have contacted them via mail or calls. Current juniors should be attending Junior Days at colleges they are interested in and need to prepare their calendar for summer camps colleges of interest offer. Calendar is getting finalized and the upcoming freshman calendar will begin with April/May. Coach thanked the TDC for everything while he was recovering from back surgery and talked about Josh Klein and his Superbowl win and what that meant to the LGL.

**Event Committee:** Jackie Quigley reported that the volunteer event at her house was a success. Many people attended to find out how they can help with the program. Contact Jackie, Edie Stewart or Traci Allgor if you are interested in volunteering. The first opportunity to help the committee is to sign up to make PB&J sandwiches for the team to eat after 5am workouts. A sign up Genius will go out for signups. September 4 is the date of the Spaghetti Dinner. Mark your calendars now!

**Winter Social:** The Winter Social is this Saturday and Melissa Kramer reported that the team donated baskets look fantastic. You can preregister and pay online as well as pay at the door. It should be a great night for Mason Football.

**Golf Outing:** Glenn Knight is chairing this event and said they are having a committee meeting next week to discuss the roll out of information. It will be held at Kings Island Golf Center coincides with the Green/White Scrimmage on August 7.

**After Prom:** Angie Besecker is chairing for TDC and working with the cheerleaders on this event with the cheerleaders. Stacy Knapp is co-chair. A sign up genius will be going out after the spring break for volunteer sign ups. Volunteers will wear black pants and a white top.

**MABA:** Ron Saresky reported that MABA has a new website that will publish all sport's calendars. It is [masonboosters.org](http://masonboosters.org)

**Fundraising:** A Comet Card vendor is being finalized.

**Team Representatives:** A team parent is needed for both upcoming 7<sup>th</sup> grade teams as well as the upcoming freshman team. Please let Karen Craig know if you are interested in serving.

The next meeting is Monday, April 6 at 7pm in the Harvard Room of the high school. Motion to adjourn was made by Ron Saresky and seconded by Beth Orlando.
