

## **Mason Comets Touchdown Club Minutes**

### **September 8, 2015**

The meeting was brought to order by President Doug Besecker at Lucky Dog Grille. Minutes of the last meeting were read and approved by Kisha Stewart and Jennifer Fago.

The Treasurer's report was presented by Laurie Goldfarb and included combined financials. She is still collecting money from the Golf Outing and Comet Cards. Laurie has submitted all tax returns from previous years as well as our current return. Paperwork has been filed for tax exempt status. There was a discussion about buying Poweraides through the school at a reduced price. Doug Besecker will discuss with Scott Stemple, athletic director, to see if this is a possibility. The treasurer's report was approved by Ron Saresky and Stacy Knapp.

#### **Old/New Business:**

**Coach's Report:** Coach Taylor introduced himself and reported that the team is regrouping this week and practices have gone well. He stated that the replay system was a great investment and thanked the TDC for the purchase. Coach Jacobs introduced himself and said they are working hard this week getting ready for Winton Woods.

**Event Committee:** Melissa Jeffers reported that volunteers stepped up to make pasta, as well as an extra meal due to the weather delayed game which was played on Saturday. Cane's provided the meal which was supplemented with pasta cooked by volunteers. Rusty Bucket is providing the meal this week. Please make sure to thank these businesses for their generous donations to our program.

**Fundraising:** Comet Card money is still being collected as well as outstanding cards. Jeff Tull continues to work on securing corporate sponsors. He sent a proposal to Scott Stemple for approval. The junior class is responsible for Split the Pot at our next home game. Anne Saresky continues to send out sign up genius reminders to have people sign up to help. Please step up and help. It is easy and fun! There was discussion on parking revenue for after season games and why football doesn't get first chance to sign up volunteers so we can get the revenue.

**Programs:** Stacy Knapp reported that 74 programs were sold. They are \$5 and senior parents are encouraged to buy one early in case they run out. Stacy is looking for someone who would like to shadow her the remainder of this year in order to take over next year. Please let Stacy know if you are interested.

**Tailgate:** TDC will have a booth with a football toss for the weekend of Sept. 18. It will be at the municipal building this year in conjunction with Mason's bicentennial celebration. Cedar Village Dentistry will provide 400 mini footballs to hand out at the event. Volunteers will be needed to man the booth both Friday and Saturday.

**Homecoming:** October 1 will be the Homecoming Parade. Volunteers are needed to provide a truck and/or flatbed trailer as well as to decorate it. Contact Doug Besecker if you can help.

**Team Parents:** Karen Craig reported that Heather Dalton has volunteered to be the After Prom Chair this year.

**Concessions:** Wendy Rodriguez reported that things went well in spite of the weather. Volunteers really stepped up and many volunteered both Friday AND Saturday nights! They sold everything they had. She is looking for volunteers for the remaining home games and those are posted on Sign up genius on the website.

**Dine In and Donate:** Melissa Kramer has arranged for Quatman's to be the restaurant for this week. Please print out the flyer from the website [www.thelonggreenline.com](http://www.thelonggreenline.com) and bring it with you. Quatman's will give our program 10% of all proceeds from the entire day.

The next meeting is **Monday, September 14 at 7pm** in the Harvard Room at the high school. Motion to adjourn was made by Debbie Welch and Jennifer Fago.
