➤ COACHES REPORT

- Rent-A-Ram – has taken a backseat, waiting on Jeffco for final approval on things – hard to launch, ids on break right now – may have kids get hours on their own. Need waivers signed and have to figure out how to control incoming requests
- Possibly set up as a camp so waivers get signed to let players approved to participate – will need to print Jeffco waiver and get them signed by people using player services – may be easier if do it through friends and family so more of a soft launch and hours will be more easily controlled
- UNC Camp was awesome – kids did well, worked hard – excited as we became a team this weekend, stayed relatively healthy
- Have about 3 weeks off
