

Rockville High School Football Booster Club Meeting

March 11, 2015

Meeting started at 7:06

In attendance: Michelle Marciano, Becky Orłowski, Patty Kupchunos, Eileen Kapinos, , Coach AJ Taddio, and Randy Neal—Thank you to all who came!!

Discussed and accepted end year minutes of 11/12/14.

Becky gave a report of transactions since last meeting. The concession truck rental, banquet costs, P.O. Box, and website fee have all been paid. We have enough to cover weight training t-shirts. Coach has put the order in. As instructed by Lois Possell, we will submit the invoice and explanation for BOE approval. Noted that the RHSSC was looking into protocol believing gifts to team does not need BOE approval, only gifts to the school.

Coach researched summer camps and chose a three day CCSU day camp for the last week of June at a cost of \$145 each player. All accepted the plan with enthusiasm. Lois Possell got us a quote for the bus to go back and forth at \$188 each day. We are researching selling cards as a fundraiser for the whole team to participate in as a way to pay their way. As soon as we have date confirmation, we will get the word out.

Check out Coach's new Weight Lifting Chart Board, kindly and generously gifted to us by Scott Hagelin—Thank you Scott for all your super support!! Great job to our Coaches and the regular attendees as well as the 7th & 8th graders! Keep up the good work and hope to see others working out regularly too.

As much as we enjoyed spring football, Rock Bowl and family potluck, coach is undecided due to the many conflicts that arise the last two weeks of school; exams, SAT's, and spring sports to name a few. The CIAC severely limits the timeliness of facilitating this program. We will still hope to do a family potluck of sorts, possibly on the last day of the camp.

After review of our Scholarship Application packet, a recipient has been chosen. They will be recognized at the Senior Awards night on June 4th.

We are encouraged by the progress of the newly forming RHSSC, recognizing it is a positive step for our school. We will continue to support it as it develops, hoping for more people's involvement and policy procedure development.

FB Booster Club needs more parental support and involvement, particularly with nominating and fulfilling two more board members. As we stand, Michelle Marciano is the President with an incoming senior, and Becky Orłowski is Treasurer with an incoming senior and sophomore. We plan on making use of the weekly Rock News as well as our email blasts in order to get information out.

Meeting adjourned 8:28
