November 12, 2014

Meeting started at 6:58

Senior "Night" has been changed to the Thanksgiving Game. Recognition will start @ 9:30 am. Concessions will be a light breakfast menu. The German club asked if they could sell baked goods, there didn't seem to be an issue with that.

Coach would like to not participate in the summer passing league @ EO Smith but instead focus on the incoming varsity Sophomores, Juniors and Seniors going to a week long football camp. He will look into details once the season is over. 1<sup>st</sup> choice is a UConn camp, 2<sup>nd</sup> is at Central. Would like look for a week to coincide with Spring Practice, when 2<sup>nd</sup> Annual Rock Bowl and then the camp to kick off the 2015 season,

The Banquet has been scheduled for 12/6 @ TKBS from 11:30 to 2:30. Last year the price for non-players was \$5 per person with a \$20 cap per family.

Questions came up regarding the player pictures. Parents were wondering if they had been received. Per Lifetouch they were delivered to the school on 11/4 but players have not received as of yet. Need to contact Lois.

The JV season has been cancelled due to player injuries. Team dinners have also been cancelled for the rest of the season.

Coach liked having the pregame snacks and would like to continue with that next year.

Coach also would really like workout apparel for winter training. He is asking for a t-shirt to hand out to the players dedicated to working out throughout the winter. He would like them to all wear the same one to promote unity. The cost is approx. \$6-\$8 per shirt.
