

## Rockville High School Football Booster Club Meeting

August 13, 2014

Meeting started at 7:05

In attendance: Michelle Marciano, AJ Taddio, Carl Slicer, Paul Eilerman, Erin Elerman, Sarah King, Scott Smith, Patty Kupchunos, Eileen Kapinos

Carl Slicer works for Community Voice Channel, he is working with Coach and our Athletic Director Lois Possell and hoping to film several of our home games including some interviews and outtakes to broadcast on Comcast Channel % or ATT U-Verse Channel 99/Bolton. He asked for help in spreading the word about our team being on television. There are many ways to help, press box, announcing, and more including taking a free field production class through their studio. If anyone is interested in helping out, reach out to Carl at the office 860-872-0055; home 860-872-2690; or email: [cslicer@BestHire.com](mailto:cslicer@BestHire.com)

7/16/14 Meeting Minutes were distributed and accepted along with the treasurer's report. There are a few outstanding items. One of which is last year's scholarship recipient check. It was agreed that the check would be issued soon, we were waiting for verification of school attendance. All the Festival Inflatables (3), a cotton candy machine, and dunk tank have been reserved.

Coach AJ shared plan to keep our players focused after school with a handful of teachers to help with any study or homework before they suit up and start practice. He will not be condoning walks down the street. He is pleased with the committed players so far and hopes to keep the numbers increasing. Currently we have 23-25 Freshman and 30 JV/V players. Coach will never kick someone off the team. His method of disciplinary action will be a player turning in their equipment and showing up faithfully for the team for a certain number of days depending on the infraction.

Eileen shared that American Legion is available on 10/4/14 if we would like to proceed with a joint fb and cheer team building/fundraising breakfast. The cost for the hall alone is \$100; the kitchen is \$125, a \$100 deposit is needed to secure the date.

Michelle – First needs ahead are the double day practices and planned lunch break in between. The Wheeler's are graciously hosting all players and coaches. A sign up e-mail will be forthcoming for food items and chaperones needed.

The Concession Trailer, at the last meeting, we thought we had reserved all the homegames, but it turns out we have the 9/5 Scrimmage and 3 of the 5 home games. 2 of the games have been reserved by Principal Rockett. Discussions are hoped to clarify. We would like to have at least 2 people take a food handlers class to be able to work in the truck without our manager Chris Avgtes, not that we would not love to have him, we don't want to assume he can do all our events. A class was possibly being formed by Mr. Rockett, news will be forthcoming.

The festival will require at least 15 volunteers among other things. A note to Ms. Marinaro to advertise for student volunteers will be sent out.

Ended meeting sharing last year's scholarship recipient, Dan Wheeler's thank you letter, we are very honored to have been a small help in his scholastic endeavors and wish him all the best!

Meeting adjourned 8:27
