

Manager Application & Team Registration Step by Step:

The first step in the registration process for most of the league is for the manager to fill out the manager’s application and register the team. We have combined these registration steps for managers so they can both fill out the manager’s application and register the team in one set of registration steps. Once the manager registers the team, players can sign up and pay for the registered team immediately. Managers need NOT have a full team to register it. The league will assist partial teams in need of players. Each season, we have approximately 500 kids that sign up to play baseball without a team affiliation so we look at the competitive level and capacity of the team, proximity of the team core and player residence/HS area and connect the two. To register as a manager and the team, follow the steps below:

1. <Manager’s only> From the home page of the website, click the Register Your Team button. The online Team Registration System window is displayed. Click Register.

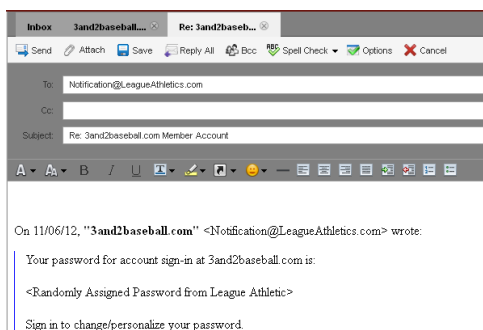

Online Team Registration System

Account Setup

Every member at 3&2 creates an online account that tracks and records all league activities for you. The first time you register with us, you may need to create an account. Creating an account is simple.

2. If you are accessing the system for the very first time, from the Account Sign In window, enter your email address only, and the system will send you a confirmation email as depicted below

with a password you can use to enter the system for the first time. Once you receive the notification, enter the system-issued password in to the Password field and click Sign In. The Manager’s Application form opens.

Account Sign in

Please sign in to continue with the registration process.

New Registrants - Enter your *EMAIL ONLY* and click Sign in. A temporary password will be emailed to you. Once logged in, you can change your password.

Forgot your Password? - Enter your *EMAIL ONLY* and click Sign in. Your password will be emailed to that address.

Sign in
