Northborough Youth Basketball Association (NYBA) is a non-profit youth organization staffed entirely by volunteers. We endeavor to provide an opportunity for boys and girls in grades 1 thru 8 from our community to participate in an organized basketball program. We believe that basketball is an ideal venue to teach attributes such as sportsmanship, discipline, cooperation, competition, self-confidence, and teamwork.

This year, the NYBA will once again host more than 550 of our community's children in our program. To do so, we need your support. Your sponsorship donation helps offset the cost of facility rentals, equipment, insurance, awards, officials, jerseys, and most important of all, enables us to minimize registration fees, and provide scholarships for those that need them.
