

NCDS-Daly Rink

Locker Room Policy

Locker rooms will be assigned to groups by the rink attendant. Only coaches will be allowed to get locker rooms unlocked by attendant. Rink staff will unlock locker rooms up to thirty minutes before scheduled ice time. Groups must vacate locker room twenty minutes after ice session has ended.

Coaches must sign in with attendant and leave their car keys until the end of ice session. Only after locker room inspection will keys be returned. Any damages in locker room shall be noted to rink attendant prior to use. Any failure to do so will result in that group being charged for damages. Charges will include the cost of all materials and labor for locker room repair and will be billed directly to rental group.

All groups are responsible for cleaning locker rooms after use. No tape or debris shall be left in locker rooms. Groups who do not clean up will be assessed a cleaning fee of \$10. Per incident that will be added to their bill at the end of the season. Any group that behaves in an uncivilized manner will be denied locker room privileges for the remainder of the skating season.
