**WINS For Life Basketball is affiliated with the Basketball Hall of Fame.**

**WINS For Life** assists coaches and student-athletes of all ages. WINS provides many quality basketball events, including: youth skills clinics, the WINS For Life All Stars AAU program, summer basketball camps, 3 on 3 tournaments, after school programs, Fall League, team tournaments, coaching clinics, team consultation, individual instruction and guest speakers.

**Presenter:** David Vasquenza is the owner of WINS For Life. He is a speaker and clinician at the Basketball Hall of Fame. He is Director of the very successful WINS For Life All Stars AAU program. He has led multiple teams to National tournaments and State Championship medals. Many former players advance to the college level. From 1996-2000, Coach Vasquenza assisted Worcester State College to much success and the best four-year record in the 66-year history of Men's Basketball. The Lancers earned the only regular season MASCAC Championship in school history (1999-2000) and two ECAC berths (1998, 2000). From 1994-96, "Coach V" led Connecticut Starters AAU teams to three consecutive State Championships.

**Clinic Benefits:** WINS provides youth coaches a balanced platform to develop winning students and successful teams. The clinic features a structured classroom component and a power-packed gym session. This includes drill demonstrations, teaching techniques, philosophy, practice structure, game management, and methods for team and player development.  
***Each participant receives the WINS For Life Resource Coaching Booklet, clinic outline and practice plan.***

**Clinic Content:** WINS For Life clinics are fun, interactive, and very informative. They are designed to assist coaches working with students of all ages. Participants gain knowledge on many valuable topics, including philosophy, strategy, practice planning, leadership, quality interactions (parents, students, officials), implementing fun with hard work, motivating student-athletes, X's & O's, skill development, and a variety of outstanding drills and games.

*"I recommend WINS For Life as the leading choice for all youth basketball activities and AAU. Since 2012 I have worked with Coach Vasquenza and the WINS For Life coaches. They are a hard-working, knowledgeable, experienced group of leaders and teachers. They cultivate positive relationships and develop successful students. They have strong character and teach with purpose and enthusiasm. The achievements of their teams and players are connected to the fundamentals and skills acquired at their advanced practices. The result is success on and off the court". - Seth Greenberg, ESPN.*
