PROGRAM OVERVIEW

Research from USA Hockey shows that our youth players are in their optimum “window of trainability,” so our program will focus on skill development. We utilize age appropriate training systems to help our players maximize their full athletic potential with an emphasis on skating,

speed and agility, puck control, shooting, and passing. In addition, we encourage creativity and nurture the players’ developing “hockey sense” through a variety of drills and small-area games.

SKILLS DEVELOPMENT SESSIONS

Monarchs players will participate in advanced skill development sessions that use the Power Edge Pro training system, as well as other power skating and training programs designed for elite athletes. Power Edge Pro is an on-ice player development system that focuses on Reactive Countering Training™, engaging multiple motor skills simultaneously to develop a player’s small area game performance. This training method challenges players to complete complex patterns while maintaining puck control, and provides five times the repetitions of standard drill based practices—leading to faster development of elite skills.

OFF-ICE TRAINING

Monarchs players will also participate in off-ice training sessions at Next Level Strength and Conditioning. Next Level's mission is to empower athletes on their journey to

self-improvement by prioritizing character development, injury prevention and performance enhancement. Next Level athletes use the latest in sports performance and functional training under the close guidance of positive

role models and highly qualified professionals. While functional strength training is a critical component of the program, Next Level's comprehensive approach to training helps athletes achieve maximal results. Mobility, corrective exercise, power, speed, agility, energy system specific conditioning, skill development, nutrition, sleep, and hydration are all key factors to our players reaching their full potential.

FOCUS ON CULTURE

The Monarchs culture is a part of everything we do. Players work hard and have fun on and off the ice. This includes tournaments, team dinners and other events, and community service. Monarchs players develop life-long friendships and memories that will last forever.

HEAD COACH MIKE DOSSIER

Mike Dossier will return for his third season as head coach of the Monarchs 2008 birth year team. A native of Rochester, Coach Dossier has invested more than 40 years in the sport of hockey. He played NCAA Division III hockey at St. Bonaventure University following a year of junior hockey with the Rochester Americans. Coach Dossier played four years of varsity hockey in Greece where he served as team captain. He led his team to two sectional championships, and two state finals.

Coach Dossier has more than 20 years of coaching experience. He started his coaching career as assistant coach for the Greece high school hockey team, winning a state championship with the team in 1996. Coach Dossier has since coached youth hockey at all levels.

SEASON FORECAST
