

Perinton Youth Hockey
High School Development Program
2011-2012 Season

Perinton Youth Hockey will offer a High School Development Program with the goal of the program to provide players training in preparation for the upcoming high school season. The teams will offer players an environment to best prepare themselves for the high school season and not have the requirements of a league schedule or having to choose between high school or travel after the high school season begins. Both teams will be AA-Independent and not associated with a league.

Midget Minor - High School Development Program (1995-1996 Birth Year)

Head Coach: Gary Polisseni – questions/contact: 585.410.4310.

Tryout Dates: April 26-27, 2011. (See PYH Website).

Practice: 2/week.

Games: 16 – 12 home/4 away: primarily against U16 local teams at TCIA.

Tournaments: 1

Skating Season: Starts in August thru November 6, 2011 – 13-weeks.

Team Purpose: The team will play against local travel teams – so playing competitive teams without the rigors of a full-travel season to prepare and improve conditioning in preparation for high school hockey.

NOTES:

- This is an alternative to a Midget Minor Split-Season team that will typically play more games and additional tournaments during the season.
 - This team will not skate again after the high school season so not to conflict with Spring Sport preparation.
-

Bantam Major – High School Development Program (1997 Birth Year)

Head Coach: Steve Thering – Pittsford High School Varsity Hockey Coach.

Tryout Dates: April 5-7, 2011. (See PYH Website).

Practice: 2-3/week.

Games: 12 – 6 home/6 away: Primarily Rochester-Buffalo-Syracuse.

Tournaments: 2: CanAm LakePlacid (late October), Pittsburgh (September) or GTHL (October).

Skating Season: Starts September 6 – November 6, 2011 – 9-weeks.

Team Purpose: The team focus is player development and practices at high-tempo to better prepare towards high school hockey. Typically Bantam Major is a full-season level, but with more JV programs and underclassman making Varsity rosters this eliminates many of the problems and the time commitment a dual-rostered player (high school and travel) will face during the season.

NOTE:

- This team will not skate again after the high school season so not to conflict with Spring High School Sport preparation.
