

Hurricane Sandy Relief: How You Can Help

Please join the PAL PeeWee A players and their families in donating much-needed items to victims of Hurricane Sandy. We will be collecting the items listed below in a bin located in the Rinx lobby through Saturday, November 17th. We will then deliver items to some of the hardest-hit areas on Long Island, specifically, Long Beach and surrounding communities.

Additionally, we have been in contact with the Long Beach Apple Core hockey organization. Tragically, many hockey families lost most items in their homes, including hockey equipment. We are also accepting donations of used hockey equipment (listed below) to help these young players get back on the ice and return to some sense of normalcy.

Items Needed At This Time:

Cleaning Supplies	Baby Wipes	Batteries
Personal Hygiene Items	Baby Food	Diapers
Non-Electric Can Openers	Hats*	Gloves*
Hand Warmers	Blankets	Paper Towels
Hand Sanitizer	Scarves	Shelf-Stable Milk
