

WILTON LACROSSE

This Week in Wilton Lacrosse – April 17, 2017

For the majority of the lacrosse program the spring season doesn't really begin until after the spring holiday week. And that is true this year as well with games for most of the youth program kicking off this week now that school is back in session. The high school teams each have a few games under their belt as their season kicks into high gear. The Girls Varsity lost a tough one to New Canaan this afternoon 15-11 to run their record in the young season to 5-2. The Boys Varsity won a thrilling overtime game on Saturday versus Greenwich 8-7 and now stand at 3-1 with 3 games upcoming this week. This week's schedule for the high school teams is included below.

This Sunday the Boys Youth program will host its annual Wilton Jamboree and expects to have over 70 youth teams from all over competing. This is a great opportunity to showcase the beautiful facilities we have for lacrosse in this town and get the season off to a flying start. The Boys Youth committee has put in many long hours to set the tournament up so surely it will be a big success.

Also this weekend is the marquee matchup on the boys side between Wilton and Darien. The game takes place at 7pm on Saturday night so a big crowd is expected. It is also Boys Youth night so many of our younger players will be in attendance. It promises to be a big game so everyone come out and support the team and celebrate our youth program.

A few other quick notes to pass along. I am happy to report that the season opening kickoff event held at Rolling Hills on March 10th raised over \$46,000 towards the building of 2 lacrosse walls at the fields. This total exceeded our target and is a testament to the hard work put in by the volunteers (varsity captains's parents) who organized the event as well as the generosity of all the attendees. Thank you to all that contributed.

Also, we now have a Twitter feed for Wilton Lax that has scores/news from the high school teams (as people report them) as well as news from our alumni who are playing in college. Expect to hear more from this as we are spending a good deal of time to more fully develop our social media offerings.
