

# WILTON LACROSSE

## This Week in Wilton Lacrosse – May 8, 2017

A bit behind for this week. Thw week started off with a fabulous Senior Night celebration for the Girls Varsity and the team did not disapoint on the field with a solid victory over Brien McMahon. Many thanks for the hard work and organization put forth by the parents of the juniors on varsity. The girls varsity wraps up the regualr season with a game this Saturday versus Stamford.

Tonight (Tuesday) is the night that the long-running rivalry with Yorktown continues for the Boys varsity. After losing last year, Yorktown is coming to Memorial Field and looking for revenge. Despite feeling more like March, it should be a fun night. I guess hot chocolates sales will still be high. Senior night for the boys will be celebrated on Thursday night before the game with Fairfield Ludlowe. Festivities start at 7:15pm with the game starting at 7:30pm

All of the high school teams are coming to the end of their regular seasons. Both freshmen teams have a busy schedule through the end of the season with the boys team cramming 8 games into the last two weeks.

The youth seasons are in full swing with lots of games and practices. The weather has been a wildcard all season so let's hope that we can get through the 2<sup>nd</sup> half of the youth season with minimal disruption. One final note for youth parents – we now have a Lost & Found section of the WiltonLax website (way down at the bottom). Please look there is your little angel forgets some key piece of lax gear and please post if you find a valuable item. Thanks.

The NCAA college brackets came out on Sunday for both both mens and womens as well as Div I, II and III. There is going to be plenty of action this Saturday across all divisions and there are plenty of Wilton alums on teams that made the big dance. Follow those player's teams here on the Wilton Lacrosse fan website - <https://www.facebook.com/search/top/?q=go%20wilton%20lacrosse%20-%20fan%20page>. So much for getting things done this weekend with all the games on TV.

### Schedule for Week of May 8th
