

Hello lacrosse families,

Please take a moment to review the following information regarding uniform and apparel ordering as there are specific instructions based on different scenarios. I encourage **all** to have your son/daughter locate and try on their uniform from Spring 2020 (if applicable) and choose from the following options.

Are you a:

[New player to the program \(no prior uniform orders\)](#)

[Returning player who has a uniform from Spring 2020 that still fits](#)

[Returning player who has a uniform from Spring 2020 that no longer fits](#)

[Returning player who received an erroneous jersey last Spring \(wrong last name or number\)](#)

[Fan who wants to order spirit wear, apparel or items from our program's store](#)

### New players to the program

Welcome! If your child is new to NA Big Red Lacrosse (NABRL) or did not order/receive a uniform as part of registration last Spring (2020) you may order a uniform package by following this link: <https://blatantteamstore.com/collections/north-attleboro-lacrosse-new-player-store>

Please be sure you have received approval by the Equipment and Apparel Director for the number choice requested when registering your child(ren). Items are custom made and no returns/exchanges are allowed if the wrong number is provided to the vendor.

### Returning players who received a uniform last Spring (and it still fits)

You are one of the lucky ones... You do not need to do anything more. So long as your son/daughter's uniform ordered for the 2020 season still fits you are all set!

### Returning players who received a uniform last Spring (and it no longer fits)

Ugh - right? If you ordered a new uniform last Spring and your child has grown like a weed, slimmed down or filled out, you may need to order a new jersey, shorts or both. If that is the case, please order replacement items by using this link:

<https://blatantteamstore.com/collections/north-attleboro-youth-lacrosse-program-team-store>

Please be certain you provide the correct approved uniform number when placing your order. Items are custom made and no returns/exchanges are allowed if the wrong number is provided to the vendor.

## Returning players who received a uniform last Spring (but it arrived with incorrect information like last name or number)

On behalf of the vendor I do apologize. Our vendor has identified the error and will be replacing jerseys for those effected at no charge. You must notify Blatant so that they can verify the correct name, number and jersey size. Should you need new shorts for any reason, you must order them separately; the following email address is only for erroneous jersey replacement. See the link above for ordering shorts that no longer fit. Please provide Full Name, Last Name for Jersey, Size, and Number when messaging: [info@blatantteamstore.com](mailto:info@blatantteamstore.com)

## I want to order apparel or items from the team store

Interested in ordering spirit wear or apparel to support your son/daughter and the program? We have a wide range of items for all ages; youth, teens, adults, parents, grandparents including (but not limited to) shirts, sweats, shorts, jackets, hats, blankets, equipment bags, scarfs, and more. Have certain items customized with your favorite player's number or name. There are many options and we would love to hear if there is something "missing" that we may be able to add to the collection.

Shop now to have it in time for the season <https://blatantteamstore.com/collections/north-attleboro-youth-lacrosse-program-team-store>

Please message me with any comments, questions or feedback or if you are interested in getting involved with Equipment or Apparel activities to support NABRL.

Thank you all and looking forward to getting out on the fields this Spring!

Jay Trella

NA Big Red Lax Equipment and Apparel Director
