

2016 Billerica Little League Registration Form

About Billerica Little League

There are more than 225 volunteers who manage, coach and make up the League's Executive Board. Many of these volunteers were **Little Leaguers** themselves who are happily "giving something back." Who benefits? – The community and the more than 700 Billerica children who've shown that they, too, love to "play ball!"

Billerica Little League receives no town funding. The League maintains many of the baseball fields in town, relying on registration, donations & fundraising to cover equipment, field maintenance and other operating expenses.

Challenger –Physically and mentally challenged children who live in Billerica and surrounding towns are eligible to play in the Billerica Little League Challenger Program. Games are held each Sunday starting in April. Contact the league at postmaster@billericalittleleague.org for more information.
