

## Clinic Topic

- Goal Scoring

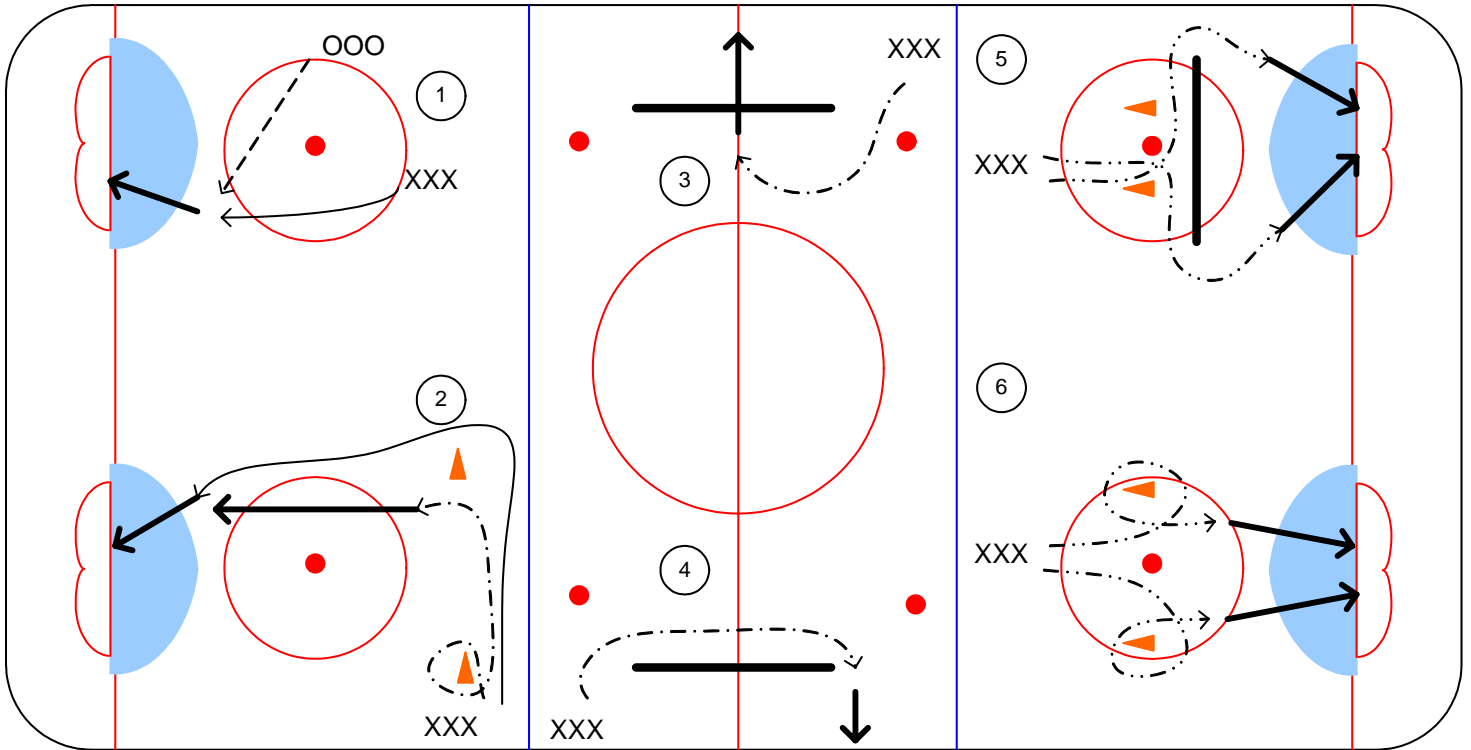

## Skill Emphasis

- Scoring
- Puck control
- Positioning away from the puck
- Time and Space

## Situational Emphasis

- Offensive Play
- Scoring

## Goal Scoring – Six (6) Stations

### 1 – One timers

- Player X skate to net & set up for one timer. Player O passes to player X who hit one timer to net. Players alternate lines. Once everyone is thru, switch sides. Drill is done at quick tempo

### 2 – Tip ins

- Player 1 skate thru cones to net & set up for tip in. Player 2 skates thru cones and shoots to player 1 for tip in. Player alternate positions. Once everyone is thru, switch sides. Drill is done at quick tempo

### 3 – Puck protection 1

- Player skates around obstacle, protecting the puck and shoots. Once everyone is thru, switch sides. Drill is done at quick tempo

### 4 – Puck protection 2

- Player skates around obstacle, protecting the puck and shoots over the obstacle. Once everyone is thru, switch sides. Drill is done at quick tempo

### 5 – Quick shots in traffic

- Player skates thru cones & obstacle to net & shoots. Once everyone is thru, switch sides. Drill is done at quick tempo

### 6 – Time and space

- Player curls around cones & shoots. Once everyone is thru, switch sides. Drill is done at quick tempo
