

# Irondale Youth Hockey Association

## Privacy Policy

Our members' privacy is important to us. Therefore, we have adopted the following Privacy Policy.

We collect personal information from you such as address, phone number(s), e-mail addresses and birthdates. We do not disclose this information except to board members as needed in his/her capacity. A list is provided to Lake Region Hockey Association to show membership in this organization so IYHA can receive donated money from Lake Region.

Birth certificates are kept in the team book to verify age. Medical information is also kept in the team book to be used only in the case of an emergency.

Screening forms for adults are kept by IYHA and a copy is given to the district director and in cases of new coaches, managers and board members, to USA Hockey for background checks.

If you have any questions about our Privacy Policy, please contact the current association registrar.
