

Competitions and Activities

Main Event: This is a four person scramble at the Indianhead Golf & Recreation Center following "Florida Scramble Rules" (see "[da rules](#)"). Teams can be formed before the outing or just sign up individually and the golf committee will group you up.

Prize Holes: There will prize holes set before first tee off. There will be activities such as; closest to the pin in 1 stroke, longest putt, longest drive and so on. With these individual competitions, if your ball is best so far at the specified activity, write your name on the course marker card and place the marker in the ground on the spot where your ball came to rest. Once the marker has been placed in the ground, it should stay there until someone else hits a closer shot. Use the flagstick as a measuring rod if it is a close call. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot. Mulligans don't count.

Team Scores: At the end of the day the scorecards will be tallied, and the team with the best score will win a prize TBD.

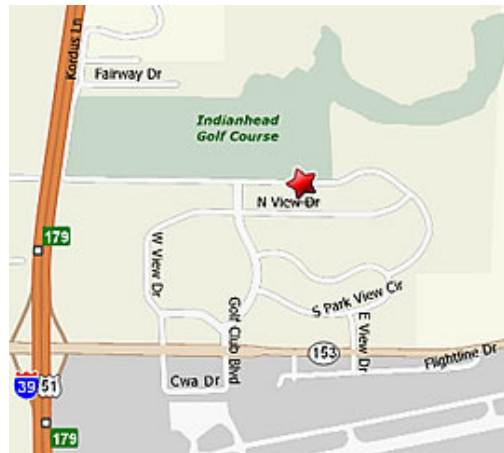

Snacks and Beverages: Indianhead Golf will have a beverage cart on patrol. You will have to fund your own drinks on the course.

Registration: You will have to register online for this event. Go to <http://www.baw.org> and click on the "Golf Outing" Tab.

Jay Olson: 715-389-5439

"Da Rules"

U.S.G.A. rules govern all play, with the following exceptions:

1. The tournament format is a 4-person scramble. Each team member may place the ball within one (1) club length of the selected shot, no nearer the hole. If the shot selected is played from a hazard, bunker, rough, fairway, or fringe of the green, again the ball must be played from within one (1) club length of the shot selected and must remain in the hazard, bunker rough, fairway, or fringe of the green.
2. When putting, once any ball is holed out, no further strokes count. The team is cautioned not to make "tap" in putts until all team members have had the opportunity to attempt the team's original putt. The original putt may be moved a maximum of two (2) inches from the mark, no nearer the hole.
3. On every hole, each member of the team may hit a tee shot. Each member's tee shot must be used a minimum of 2 times. All members of the team may then hit from that position.
4. May not play the same players shot twice in a row on each hole. (Balls played on the green are exempt from this rule.)
5. Men play from the Blue tees. Women play from the Red tees.
6. Mulligans are available from the tournament sponsor for \$5 each. There is no limit on the number of mulligans a player may purchase; however, mulligans must be purchased before the round begins in order to be used during the round. Mulligans may be used at any time during the round except that shots played using a mulligan do not qualify for hole prizes. **Unused Mulligan's can be redeemed for beverages at end of competition.**
7. The purpose of the BAW Golf Outing is to raise money for the BAW scholarship fund. Please keep this purpose in mind while playing, have fun, and **please accept our sincere thanks for your generous support.**
8. **"EXTRA CLUBS" IN YOUR TEAM GOLF BAG:**
 - Foot Wedge** - One (and only one) member of your team may kick the ball as far as they want from its resting position on the ground.
 - Hand Wedge** - One (and only one) member of your team may pick up and throw the ball as far as they want.
 - 10 Foot Buffer** - You may move the ball 10' from the original spot of the ball. This includes putting. Each team will be given a 10' long string.
 - *Each of these clubs may be used only once per team during the round.
 - *Before using these special clubs, you can use the normal method to select the best shot of all the shots just made.
 - *Use of these special clubs **does NOT count as a stroke** on your score card!
