Last Amended: August 20, 2013

RECREATION COACH SELECTION

All operations of Recreation Hockey including Coach Selection are governed by the Recreation Hockey committee. This is a committee chaired by the Second Vice President with membership that includes the President and the appropriate Division Manager. The Director of Hockey Operations or Coach Coordinator will be used as a resource to the Committee.

Applications for coaching are available on the North Delta Hockey website. Prospective coaches are asked to complete and submit an application at the earliest possible opportunity. The application provides the Association with all updated information and therefore an application is necessary each season.

The 2nd Vice-President will meet with each Division Manger to review the Candidates at each level. The criteria for coach selection include: coaching level attained through formal clinics, known background and coaching experience, references, parental evaluation forms, known or referenced reliability and integrity, and coaching philosophy compatible with Association philosophy and policies. North Delta Minor Hockey Association endeavors to select persons who are the most appropriate, best qualified, and most responsible for the fair evaluation and assigning of players to teams.

Elected members of the North Delta Minor Hockey Association Executive may not hold the position of Head Coach or Team Manager subject to provisions in the NDMHA Constitution and Bylaws.
