## Membership Newsletter #24

### AGM

We would like to remind everyone of the Annual General Meeting on May 21, 2014 at 7:00 pm at NDRC. There will be a draw for all those in attendance for one basic registration.

### Registration

For specific registration information please see attached information package. Please take the time to carefully read all the information BEFORE registering.

On-line registration will be open on Thursday May, 22, 2014. All returning members must register on line and payment must be received prior to the deadline or a \$50.00 late fee will automatically be applied. A late fee will be applied as of July 15, 2013 at 9:00 pm (Hockey Canada system is on Eastern time).

To register for the 2014-2015 season, please copy and paste the following link into your web browser or go to our website, click on member info and registration.

Link: <https://registration.hockeycanada.ca/registration/?ID=46>

Please note that your user id is your email you used last year to register. If you have changed your email since last year's registration, you will need to use your former email address or if you can't remember your user id please contact our registrar.

All Hockey 1's (2013-2014 season), or any new player to hockey, you will need to create an account by using the same above link. Please email our registrar at [registrar@ndhockey.com](mailto:registrar@ndhockey.com) as you will need your HCR# before creating an on-line registration account.

If you have forgotten your password click "forgot password" and it will be emailed to you at the user id email. Once logged on you can change your user id and password if you so choose.

We are offering several payment options.

1. Credit card with no processing or administration fee applied by North Delta Hockey. You may pay either the full amount or 2 installments.
2. Cheque/Money Order/Bank Draft – Payments can be made in full or 2 installments.

We would like to strongly encourage members to use the credit card as payment of choice. This substantially reduces the amount of work necessary by our registrar, treasurer and book keeper and it minimizes the risk of cheque issues such as misplaced cheques, NSF's etc.

To better space your payments, register early. The final payment of 2 registration installments is Aug. 15. The first payment is the date of you registering on line (credit card) or July 15 and Aug. 15 if writing a cheque.

All female players who intend to play female only hockey, please contact registrar@ndhockey.com for a signed player movement form. Do not register on-line with North Delta Minor Hockey.

If you have further questions or need assistance with log on please email registrar@ndhockey.com.
