December 24, 2014 - Membership Newsletter #32

As this will be the last President Message for 2014, I wanted to take a moment to wish everyone an enjoyable holiday season.

The food drive was successful with over 2985 items and \$270.00 donation was distributed to Delta Assist. Thank you for the team of parents who organized this event and to everyone for their generosity in helping those in need in our own community.

I would like to take a moment to thank all those that attended the beautiful service for Elvio Taddei. We will all have fond memories of Elvio and our thoughts are with the family at this time.

Congratulations to the North Delta Bantam A1 team for winning the Comox tournament in November, North Delta Pee Wee C3 for winning the Merritt tournament, North Delta C4 Dynamite for winning the Hope Tournament and North Delta Pee Wee A1 team for winning the Kelowna tournament this past weekend.

Our North Delta Atom A1 team hosted our home tournament this past weekend. The parents worked hard all weekend and did an outstanding job. Congratulations to the team for taking away the Gold medal.

Our North Delta Hockey 2-4 Tournament will be starting on December 27-30 at Sungod and Tilbury Ice arenas. I would like to encourage you to take a moment to drop by the arenas to support our teams. The schedules are posted on the Tournament web page. Good luck to our 10 hosting teams and thank you to all those that have spent countless hours organizing the events.

For those teams entered into other tournaments and/or attending the Giants game we wish you fun and success.

After New Year's we have our annual Cupcake event will be mid-January, Delta Cup games, Midget A and Juvenile A Scholarship game finals on January 31. Delta Challenge is tentatively scheduled for February 28.

Just a reminder our regular practice times will resume January 5, 2015.

Enjoy yourself during the break and have a healthy and prosperous New Year!

Sincerely,

A handwritten signature in black ink that reads "Anita Cairney".

Anita Cairney
President
