Membership Newsletter #21

I hope everyone is having a great start to the New Year.

Our Christmas tournaments were very successful and enjoyed by all those that attended. We received many compliments and all our volunteers should be very proud. Well done. Congratulations to the Pee wee A1 Sundevils for winning the Championship.

Minor Hockey Week will be January 19 – 25, 2014. There are few activities occurring during the week.

1. This year BC Hockey's Penalty Free Challenge will occur during this week. If a team completes a game between these dates without taking a penalty they can submit a copy of their game sheet and entry form to BC Hockey. The entry form will be posted on our website. Great prizes awarded.
2. We will also be hosting our Annual Cupcake Sales. Our parent auxiliary has assigned days to teams to all home games during this week. If you weren't assigned a time, please either feel free to bring cupcakes to either the Monday games at Sungod or Wednesday or Thursday game night at NDRC. **This year a portion of the cupcake sale proceeds will go to the Paskall family trust fund.** So please contribute in any way you can during the cupcake sales. If there was ever a year to make the time to bake, this is the year.

I am sure everyone is aware of the tragic events that took place at the Newton Arena. We heard from so many of our members and we believe the cupcake sale was just a one small thing we could do to contribute. In addition, there is a candle light vigil taking place at Holland Park on Saturday, January 18 at 5pm. It is hosted by Surrey Minor Hockey and they are welcoming anyone to attend. They are asking for any hockey families to wear their colors. See "The Now" newspaper article – January 16, 2014 on page A04.

3. Battle of Badge – a charity event between our North Delta Police and Firefighters. Saturday January 25 at Sungod starting at 7:00 pm. See our web for more details. Tickets at the door.

The first phase of the jerseys should be delivered next week. Phase 2, will arrive approximately 2 weeks later.

Upcoming Events

February 8 – Juvenile Scholarship Finals at Sungod at 3:30 pm

Good luck to everyone during league play, we have a few teams with the potential of winning a banner. Travel safe for all those attending tournaments in the near future.

Sincerely,

A handwritten signature in cursive script that reads "Anita Cairney".
