Membership Newsletter #33

I hope everyone is having a great start to the New Year.

Minor Hockey Week will be January 18 – 25, 2014. There are few activities occurring during the week.

1. This year BC Hockey's Penalty Free Challenge will occur during this week. If a team completes a game between these dates without taking a penalty they can submit a copy of their game sheet and entry form to BC Hockey. The entry form will be posted on our website. Great prizes awarded.
2. We will also be hosting our Annual Cupcake Sales. Our parent auxiliary has assigned days to teams to all home games during this week. If you weren't assigned a time, please either feel free to bring cupcakes to either the Monday games at Sungod or Wednesday or Thursday game night at NDRC. The schedule is posted on the website.
3. Panago Pizza – Scott and 72 location has offered North Delta Minor Hockey 10% of all proceeds between January 17-31. All you have to do is tell the call center, tell the driver (delivery) or tell the counter person (pick up) we are with NDMHA. Thank you for supporting Panago and NDMHA.

Midget and Juvenile A Scholarship

PCAHA has organized the Annual Midget and Juvenile A Scholarship tournament Jan 26-31. We are hosting both final games on January 31 from 5:15 to 8:15 pm and Juvenile A 8:30 – 11:30 pm - . We are looking for MVP evaluators, we need a few more evaluators. If you could help out please email cc@ndhockey.com. Great hockey so we encourage anyone to come. Admission is FREE!!!

Good luck to everyone during last part of league play, we have a few teams with the potential of winning a banner. Travel safe for all those attending tournaments in the near future.

Upcoming Events

Scholarship Tournament Finals – January 31 at Sungod
Delta Cup – February 28 at Sungod
