Membership Newsletter #13

As an end to another school year approaches we would like to take the opportunity to congratulate all of our 2012 Graduates and wish you well in your future endeavours.

Registration process seems to be going smoothly. It is just over a month away before the late registration fee will be activated on July 15th at 9:00 pm. Please register as soon as possible as it assists us in our planning and ice scheduling. The links are on our website under the Registration tab.

Feedback from those that have already registered have found the process simple and efficient. However, as not all members registered on line last season they may not have the required information. Please note the following:

- a. If you did not register on-line last season please contact our registrar for your HCR number as you will need to create a user account before registering.
- b. If you registered on-line last season you created a user account (email address). If you forgotten your password, click "forgot password" and it will automatically emailed to you at the user account email address.
- c. If you can't remember whether you registered on line or not, or you are having any difficulties, please email our Registrar and she will be able to advise you either way.

We would like to continue to encourage members to use the credit card as payment of choice. This substantially reduces the amount of work necessary by our registrar, treasurer and book keeper and it minimizes the risk of cheque issues such as misplaced cheques, NSF's etc.

All new players are to register manually and can find the appropriate forms on our website under Registration. We ask all our members to assist us in recruiting any new members. In the effort of recruiting new members to our hockey community, we have placed an ad on Channel 4, placed an ad in the Delta Leisure Summer Guide as well as the upcoming winter guide, distributed flyers to all Elementary schools, and requested a message to be placed on the 84th and 112th reader board. Please refer all new players to our registrar at registrar@ndhockey.com with any questions they may have.

All female players who intend to play female only hockey, please contact registrar@ndhockey.com for a signed player movement form. Do not register on-line with North Delta Minor Hockey.

Our treasurer Jackie Ancrum has acquired a wonderful professional career opportunity and since resigned from the Board. We would like to thank Jackie for stepping up to assist the Board over our last challenging season. We will have a new treasurer appointed to complete the term in the next few weeks. In the meantime, we will be submitting all our financials for the audit and we have contracted a bookkeeper for this upcoming season.

We are looking for a Bantam Division Manager, so if you are interested please email vp2@ndhockey.com.

The Rep Coach Selection Committee has been very busy interviewing coaches for this upcoming season. We have interviewed many highly qualified coaches and the committee recommendations and decision making process has been extremely difficult. All recommendations are ratified by the Board. Announcements will be posted on the website NDMHA & Division Pages tab under 1st Vice-President. The goal is to have all positions filled and ratified by the Board by June 25.

The North Delta Family Day parade is on Sunday, June 23 and we would love to have as many players as possible to either ride the float or walk the route with us to celebrate our 40th Anniversary and hand out goodie bags. If you would like to participate during the parade or assist us in decorating the float please contact pa@ndhockey.com. We have attached a flyer with more details.

Have a safe and fun summer.

Sincerely,

Anita Cairney
President
North Delta Minor Hockey
